Decent work and the 2030 Agenda for sustainable development

After several years of intensive negotiations and dialogue bringing together not only governments, civil society but also millions of ordinary people around the world, [UN member states have unanimously agreed □](#) what UN Secretary-General Ban Ki-moon has described as the “most inclusive development agenda the world has ever seen”.

The 2030 Agenda embraces the three dimensions of sustainability – economic, social and environmental. It has 17 Sustainable Development Goals (SDGs) that will build on the progress achieved under the [Millennium Development Goals \(MDGs\) □](#). It was formally adopted by world leaders gathering at a United Nations special summit in September 2015 in New York.

The 2030 Agenda for sustainable development puts people and planet at its centre and gives the international community the impetus it needs to work together to tackle the formidable challenges confronting humanity, including those in the world of work.

Decent work – Key to sustainable development

It is estimated that over 600 million new jobs need to be created by 2030, just to keep pace with the growth of the global working age population. That's around 40 million per year. We also need to improve conditions for the some

[The World of Decent
Work Today](#) □

"Decent work and inclusive
growth" is one of the goals of
the 2030 Sustainable
Development Agenda. But

This global goal, reinforced by specific targets on the provision of social protection, eradication of forced and child labour, increasing productivity, addressing youth employment, SMEs and skills development, is an indispensable response to the economic and social needs of people and governments everywhere.

what is the state of decent work in the world today? ILO Director-General Guy Ryder takes the measure of Decent Work in a world buffeted by profound change and growing inequality.

ILO Focus Targets □

Although the ILO's primary focus and lead will be on Goal 8, its actions will also have an impact on other goals and targets.

2030 Agenda

ILO SDG Implementation Plan □

The adoption by the United Nations Sustainable Development Summit on 25 September 2015 of “Transforming Our World: the 2030 Agenda for Sustainable Development” creates a major opportunity for the UN as a whole and the ILO in particular to support member States in their commitment to ambitious sustainable development goals (SDGs) that reflect a broad consensus on a wide range of urgent and interconnected priorities.

Decent work for sustainable development

Leaving no one behind □

With the adoption of the 2030 Agenda for Sustainable Development, the Addis Ababa Action Agenda and the Paris Climate Agreement, world leaders committed member States to end extreme poverty and to set the world on a path for sustainable development. The 2030 Agenda is also a universal call for

global social justice, addressing poverty, inequality, inclusion and a commitment to leave no one behind.
